## **BIKE & WINE Excursion**

Duration: 1 day

Date: (date by arrangement and subject to availability)

### **The Road of Roses and Wine**

We meet in the center of Požega, where you pick up your electric bikes, and set off on an interesting bike adventure through Požega Mountain. We cycle along the forest path towards Pleternica (path: combination of asphalt and gravel) and enjoy the beautiful nature and scent of Slavonian forests. You will also love the small settlements we pass on our route. With a few climbs and gentle descents, we will prove to you that Slavonia is not as flat as they say, but we guarantee that you will not get too tired guessing. We deserve a bike break and stop on the vineyard hill of Starac, where the Markota winery is located. We will complement the enchanting panoramic view of the vineyards and the town of Pleternica with a tasting of 4 wines from the Markota winery along with plates of local cured meats and cheese. We give you free time to take photos, and next to the wine barrel there is a viewpoint from which you can take beautiful photos of the wide Slavonian plain. We get back on our bikes and descend to the center of Pleternica where we will visit the Bećarca Museum, where you will learn about the Slavonian song that is protected by UNESCO in a fun and interactive way. If you have never tried singing Bećarca before, this is your chance to sing in Bećarca duels. After a good time, we get back on our bikes and continue riding through Slavonian villages towards Požega or choose a slightly more demanding route along a forest road. We take a break along the way. We end our trip with a "late" lunch in the center of Požega.
